### SOD THE KING'S DAUGHTERS LOT.

The King's Daughters lot at the hospital is standing in need of sowing. Mr. G. H. Mastin has kindly consented to donate two loads of sod and put it down. While this is a nice gift, it will hardly begin the good work.

It has been suggested that the farmers and other parties, who have sod, be requested to assist in the work. We hope there will be enough sod donated for the purpose.

If those desiring to assist in the matter will furnish sod, let it be known to the directory, and then kindly deliver the stuff at the hospital NEXT TUESDAY. Other parties will see that it is properly put down.

These ladies are doing a noble work and deserve help. They are not able to furnish the sod themselves. Let's hear about it.

Is it a burn? Use Dr. Thomas' Electric Oil. A cut? Use Dr. Thomas' Electric Oil. At your druggists.

Miss Edna Goodrich, in "The Genius and The Model."

## "THE GENIUS AND THE MODEL"

This Notable Attraction Comes to Capital Theatre Next Tuesday, October 24, For One Performance.

Wm. G. Stewart, well known from his connection with the leading comic opera companies, and as director of the W. G. Stewart Opera Co., will shortly produce "The Genius and the Model," a comedy by Wm. C. and Cecil B. De Mille, authors of "Strongheart," etc. In connection, will be given a curtain raiser, a one act romantic drama with music, entitled "Noblesse Oblige," by Wm. C. De Mille, in which Mr. Stewart will appear as a swagging French nobleman who gives his life to save his brother, who robbed him of his fortune and his sweetheart. The part is admirably fitted to him and affords an opportunity for the singing of two songs.

In "The Genius and the Model," Henry Woodruff will create the part of the Genius, and Edna Goodrich, a well known stage beauty, will play the Model.

This play is an original comedy.

laid in the artist's quarter of New York, and tells of a young business man who, rejected by the woman he loves, because he has no knowledge of art, schemes, with the help of three artists—a musician, a painter and a sculptor—to pose as a genius. This he accomplishes by pretending to be master of all three arts, and is discovered by a critic while directing the work of the three men. The critic believes he has discovered a genius, and through his efforts the young man becomes famous. He has in the meantime fallen in love with a model, and when his former sweetheart comes to give herself to him, he tells her that, as his inspiration, she would cause him to lose all his art if he were to marry her. She is content to sacrifice her feelings to art, and he is left free to marry the model. The Genius disappears and the artists prosper on the reflected fame.

In addition to Henry Woodruff and Edna Goodrich, the company engaged includes Monroe Salisbury, Carey Livingston, Peter Lang, Gordon Johnston, Louise Randolph, Sally McNeil and Francis Freeman.

Seat sale opens at Barrett's this (Saturday) morning, October 21.

## THE FORTUNE TELLER COMPANY.

The vast majority of the theatre-going public always welcome the announcement of a high-class musical attraction. That remarkably popular production, "The Fortune Teller," which scored a most pronounced success for Miss Alice Neilsen, will be presented at the Capital Theatre in the near future, under the management of Messrs. Milton and Sargent Aborn. All the magnificent surroundings which characterized the Neilsen presentation, costing some forty thousand dollars, will be used by the Aborn brothers in their revival of this comic opera. The company which will be seen in "The Fortune Teller" is composed of good singers, good actors and good dancers. There is a large and efficient chorus, notable particularly for its feminine beauty, and the orchestra is under the able direction of Carl Burton. The company numbers 60 people.

Henry Woodruff, in "The Genius and The Model."

"AN ALL STAR CAST."

Miss Charlotte Burnett, who will appear in "The Honey-moon," at the Capital Theatre, on Thursday, October 26, is without doubt supported by the strongest cast of reputable artists leaving New York City.

It is seldom that Frankfort has an opportunity of witnessing a high class comedy with a recognized star and supported by an all star cast, including George Sylvester, John E. MacGregor, G. H. Timmers, Miss Erin Lacy, Miss Caroline Bulow, Joseph Wilson, Carrie Lambert and others, all of whom have won distinction with leading New York productions.

Manager McNamara should be congratulated and his efforts awarded by liberal patronage in

securing such a distinguished star as Miss Burnett. "The Honey-moon," as a laugh producer, stands pre-eminent as a play to please the people, and the public should avail itself of this opportunity of seeing one of the cleverest of young comedienne's, supported by an all star cast, in the choicest of all refined comedies, "The Honey-moon." Seats sale opens Tuesday, October 24. Prices 25c to \$1.00.

## CONSUMPTION'S WARNING

Inside facts soon become evident in outside symptoms.—Dr. G. G. GREEN.

QThe aid of scientific inventions is not needed to determine whether your lungs are affected. The first symptoms can be readily noted by anyone of average intelligence.

QThere is no disease known that gives so many plain warnings of its approach as consumption, and no serious disease that can be so quickly reached and checked, if the medicine used is Dr. Boesche's German Syrup, which is made to cure consumption.

QIt is in the early stages that German Syrup should be taken, when warnings are given in the cough that won't quit, the congestion of the bronchial tubes and the gradual weakening of the lungs, accompanied by frequent expectoration.

QBut no matter how deep-seated your cough, even if dread consumption has already attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble.

QNew trial bottles, 25c. Regular size, 75c. At all druggists.

### BIG EXCURSION.

The excursion train over the F. & C. railroad, on Wednesday morning, under the auspices of the Retail Business Men's Club, was a big success, notwithstanding the threatening and inclement weather. About three hundred and fifty people came into the city, and proceeded to do their shopping and to have a good time. This was but the advance guard of the crowds that will come here in the future to transact their business.

Our merchants have demonstrated to the people that they are live and wide awake business men, and that they carry as good lines of goods and at as reasonable rates as do any of the merchants of adjacent cities and towns.

We have often, lately, heard persons who had gone to Lexington and Louisville to shop, say that they had found just as desirable bargains here as in either of these cities.

This is a step in the right direction, and we hope that it will be followed up regularly so that a vast trade, that has been going elsewhere, may be diverted to the merchants of this city.

### "HOLY CITY."

A treat which will doubtless be looked forward to with intense interest by all music lovers of Frankfort will be the rendition of the oratorio, "The Holy City," by local musical talent at the First Presbyterian Church for the benefit of the King's Daughters Hospital.

The oratorio will be presented some time in November. It will be a magnificent production and should draw a splendid audience. "The Holy City" is a very pretentious piece of work, and requires finished musicians in the oratorio.

Work will be started on the roles immediately.

### ORDERED SOUNDLY WHIPPED.

Three small colored kids, who had amused themselves by throwing stones at the colored school windows, were awarded each a good strapping by Judge Herndon, on Tuesday, the same to be administered by their maternal representatives in the presence of an officer, in lieu of other punishment.

### TAKEN TO WEST VIRGINIA.

Deputy U. S. Marshal N. I. McDaniel left Monday morning for West Virginia, taking with him one William Ramey, who had just served out his sentence for moonshining in the Franklin county jail. Ramey was rearrested, as he left the jail, for a similar offense, committed in West Virginia.

## Mental

Strain Affected General Health.

Doctor's Doses Weakened Stomach.

Dr. Miles' Nerve Cured Me.

Dr. Miles' Restorative Nerve brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following:

"I have always been healthy with the exception of a touch of rheumatism since my age came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble commenced with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the domestic condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nerve and Tonic I was up about the house. I continued their use until completely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nerve with splendid results in a case of rheumatism and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I wish you continued success."

### CUTTING SCRAPE.

A difficulty occurred, on Sunday morning, in the rear of the saloon of Thor Gruffy, between two colored men, during which Jim Walker cut Abe Streets in the abdomen, inflicting a dangerous wound.

Walker was arrested and placed in jail.

### PEACE TREATY RATIFIED.

The treaty of peace between Russia and Japan has at last been officially ratified. Notification of that important event was sent first to President Roosevelt in graceful acknowledgment of the important part he played in bringing the two great contending parties together. The armies and navies of the two great powers will at once withdraw to their proper peace positions.

Dyspepsia—bane of human existence. Burdock Blood Bitters cures it, promptly, permanently. Regulates and tones the stomach.

### ARRESTED.

Will Settles, house boy for Rev. M. B. Adams, D. D., was arrested by Officer H. Davis Harrod, on Monday, charged with stealing a watch belonging to Mr. A. K. Marshall, father of Mrs. Adams.

On the trial it was proven that the boy had shown the watch to several persons. He steadily denied everything charged.

He was sentenced by Judge Herndon to the workhouse for 55 days, with proviso if he told where the watch was his time would be decreased.

### FOR SWEET CHARITY'S SAKE.

There is an intelligent and worthy mountain girl, whose father was killed in a mine, who is striving to obtain an education, and who has a friend who is trying to help her, but she needs clothing to keep her in school. The girl is about 14 years of age. Any family having cast off garments, suitable for her use, even though they may be somewhat worn and soiled, would be doing "In His Name," a deed of sweet charity by donating these articles of apparel, which her lady friend can alter and make to fit. For further information, those interested can consult Mrs. Wm. Cromwell, Shelby street, this city.

### CHEATED DEATH.

Kidney trouble often ends fatally, but by housing the right medicine, E. H. Wolfe, of Bear Grove, Iowa, cheated death. He says: "Two years ago I had Kidney Trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists guarantee them at 50c.

### SPLENDID RAINS.

Sunday morning we were visited by a gentle rain, that fell at intervals until about 10:45, when it cleared off and remained partially clear until between 6 and 7 o'clock p. m., when a regular summer storm set in, and the rain fell in torrents until nearly 8 o'clock. There was quite an electrical display, with but little thunder however.

You late to cure a cold after consumption has fastened its deadly grip on the lungs. Take Dr. Wood's Norway Pine Syrup while yet there is time.

#### CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle 25c; regular size, 75c. At all drug stores. 1 yr.

Dr. Weaver's Treatment. Syrup for the blood; Cures for skin eruptions.

#### WHEN HER BACK ACHES,

A Woman Finds All Her Energy and Ambition Slipping Away.

Frankfort women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Frankfort woman's words:

"Mrs. Tine Lagle, of 527 North St. Clair Street, wife of M. D. Lagle, proprietor of barber shop near the depot, says: 'For some four or five years, I hardly knew what it was to be free from an aching back, and the irregular action of the kidneys at the same time, caused other symptoms, which were very annoying and distressing. Although I tried different remedies I was unable to find anything that would do me any permanent good until I learned of Doan's Kidney Pills and procured a box at J. W. Gayle's drug store. I had taken but a few doses of this good preparation when I realized I was regaining my health, and on a continuation of the treatment, I found my condition so much improved as to be almost beyond belief. For all of this I owe my thanks to Doan's Kidney Pills.' For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

#### "DO IT TO-DAY."

The time—warn injection, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 1 yr.

**BOAT SERVICE ESTABLISHED BETWEEN BEATTYVILLE AND ONEIDA.**

Through the efforts of Rev. J. A. Burns, who spent Saturday in Lexington, a boat service is to be inaugurated between Beattyville and Oneida in Clay county.  
Rev. Mr. Burns is at the head of the Baptist Mission School at Oneida and because of the lack of transportation facilities in that section he decided upon this boat service. Oneida is fifty-six miles beyond Beattyville and across the mountains more than a day is required for the journey. Rev. Mr. Burns is also the pastor of the church at Oneida, and has been an earnest worker for the education of the mountain people.

This new boat service will do much towards bringing these people into closer touch with the outside world.

It is the plan to have three gasoline launches to run between Beattyville and Oneida. One of these has been built. It was constructed at Christiansburg and Frankfort, and Mr. Burns was among those who helped build it. The boat is 24 feet long and will carry forty passengers and about 10,000 pounds of freight. When completed it was put on the river and from there proceeded to Oneida. When the other two boats are completed and put in operation there will be one boat each day between Beattyville and Oneida. This service will be of great value to Lexington merchants in that it will open up a territory heretofore almost beyond local trade.

Mr. Burns began his work of education in the mountains with the hope of eradicating the feud. He has been successful. Aided by the Baptist churches of the State his school has grown. He now has six teachers and 250 pupils and is doing a great work.

Mr. Burns is a man of the people. In addition to being the professor of a substantial education, both secular and ministerial, he is a practical mechanic and helped to build the school in which he is teaching. The story of his work in Clay county is an example of a man who is not afraid of trials or of labor, and the results of that work have been the practical redemption of Clay from feuds, bloodshed and lawlessness. He is a cousin of Tom Baker, of feud fame, and Jim Howard, now in jail in connection with the Goebel murder case, one of his pupils.

## THE DUTIES OF THE KING'S DAUGHTERS.

If we are daughters, in truth, we must render an account of our stewardship to the King for our hearts—our hearts which are his most sacred duty. The very first obligation is prayer. We are powerless to do anything without divine aid, and by this help comes patience.

Patience in great reverses, and more patience in the little harassings of life, which come to us every day more particularly on Monday mornings when Satan finds a good soil to sow tares among the wheat.

The second obligation is charity. Sympathy is costly. It is the exquisite alabaster vase broken at the Savior's feet and none of the King's Daughters are too poor to render this service.

Dr. Johnson said: "Spite and ill-nature are the most expensive luxuries in life." Then, if our life-force must be expended in others, in His name let us spend it in kindness and loving tender mercy.

Our murmurings are as arrows shot at God and never only effect as they fall back is the wounding of the heart that sends them.

As individuals we are members, yet as a body we are one. Each work separately, each doing her part as is the duty of every Christian to work.

We have not passed this way hitherto and we shall never pass this way again.

The third obligation, then, is work. To speak kind words, to make people happy, to keep faith in God and in each other, find the best and truest friend.

It has been truly said: "That although no woman has written an 'Iliad,' a 'Paradise Lost,' have designed an Apocalypse, or a 'Divine Comedy,' yet she has written a 'Last Judgment,' they have done some things greater and better than all this. It is at their knees that virtuous men and women have been trained—the most excellent productions of the world."

The patient, gentle schooling of Monica turned Augustine from a profligate to a saint. The blessed memory of a mother's lesson that changed John Newton from a blasphemous sailor to an earnest minister of God. A loving mother's tender influence that made George Washington a man of peace.

And power, and we have influence for good or for evil the effects of which shall follow us through life and into eternity, or against us at the bar of judgment.

The last request of our dear Savior was that His followers teach the gospel, and preach it to every creature. This gospel is one of love to God and love to man and yet how often we allow days, weeks and months to pass without speaking in His name to our dear ones or trying in the simplest way to help the infirmities of those with whom we come in contact.

Our order is a religious order of service, Christian but not sectarian, and its members may be found in all churches and almost all nations. The members are bound individually and collectively to serve the needy and the suffering, to consider and be helpful in every good work, choosing some field of labor, but never escaping the obligation of service.

We talk of fashion, politics, gossip, scandal and other topics, but when we speak of eternity and heaven, it is a half-hearted manner and can not do much good, for if we are ashamed of Him in this wicked world He will be ashamed of us when He comes with the holy angels.

In that day shall rewards be given for work, and only the unbelievers and unfaithful shall be cast out.

It is a serious thought—this being a King's daughter—and we should shine for Him in every way.

Doing good deeds, forgetting old wrongs; forgiving trespasses against us; scattering seeds of kindness and growing flowers of love and beauty all about our doorway.

Taking for our motto, daily, the beautiful text of the "Silver Cross":

Why should I murmur or complain,  
O'er lack of sun, or need of rain;  
I shall not want for anything,  
For I am a Daughter of the King.  
NELLY STEADMAN COX,  
October, 1905.

FAITH NOT NECESSARY.

You may be just as skeptical and pessimistic as you please. Kodol will digest what you eat whether you eat or not. You can put your food in a bowl, pour a little Kodol Dyspepsia Cure on it and it will digest it the same as it will in your stomach. It can't help but cure indigestion and dyspepsia. It is curing hundreds and thousands of people with faith and some didn't. Kodol will cure you if medicine can cure you. Whether you have faith in it or not. Sold by J. W. Gayle.

FRIGHTFUL SUFFERING RELIEVED.

Suffering frightfully from the virulent poisons of undigested food, C. G. Grayson, of Lula, Miss., took Dr. King's New Life Pills. "With the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonic, laxative properties. 25c at all drug stores, guaranteed.
